Description : Each item (30 in total) consists of two columns (vertical). Elements of each column share a common feature; find this connection, which usually contrasts (not always in a strict sense) with the common feature of the adjacent column. Items' order is not set by difficulty, although such a pattern may roughly be noticed.

Example :

A	1
B	2
C	3
D	4

Answer : In first column all elements are letters, (whereas) in the second all elements are numbers.
